

### ABOUT THE COVER

The Chapel located in the Village of North Clarendon had its beginning in September, 1871, when Clarendon citizen Alvin Hayward sold a parcel of ground (approximately 30' by 45') to Benjamin Marshall, for the purpose of erecting a building, according to the deed, for the purpose of the building being used for Sabbath School, and for religious services. It is believed that the Baptist Church was the first to have services.

In July of 1920 the Rutland Baptist Society, according to a deed of record, sold the Chapel to a Board of Trustees, who sold the Chapel to another group in 1943 who formed the North Clarendon Chapel and Community Society. This group authored the Constitution of By-Laws which are still in force.

In October of 1980 the annual meeting of the Society was held and the By-Laws as written in 1943 were reaffirmed by the members present.

The Chapel is used on Sundays and Thursdays by the New Hope Baptist Church who leased the building in July of 1978.

The Chapel is available to people in the community who may not be members. It has been used for suppers, square dancing, weddings, birthday parties and crafts, Boy Scouts and Cub Scouts.

## CLARENDON VOLUNTEER FIRE DEPARTMENT

Upon the completion of our 17th year of operation we would like to update our Townspeople on the activities and functions of the Fire Department.

In our fiscal year of 1980 we have accomplished the following:

1. Purchased 600 feet of new fire hose.
2. Radio office at the fire house in No. Clarendon.
3. Thirty-three pagers and a new base station.
4. Have taken out workman's compensation insurance on the men & women.
5. Raised \$17,478.00 through money raising activities.

In 1980 we received 46 calls:

House	4	Barn	3
Car fires	4	Mobile Homes	4
Grass & brush	3	Car Accident	5
Trash	2	Business	1
Chimney	6	Electrical	6
Truck fires	2	Lightning	4
Search Party	1	False Alarms	1

Of these 46 calls:

Out of town Mutual Aid	5
In town Mutual Aid	2
False Alarms	1

The Firemen put in 1329 hours fighting fire.

The equipment put in 192 hours fighting fire.

During 1981 we will be forming a committee to check into the purchase of a new tank truck to replace our tanker at the Airport. We also hope to perfect our radio system even better than it has been and continue our progressive training system in order that we may always be able to meet the emergencies that may arise now and in the future in our community.

It is with sincere thanks and appreciation to our Firemen, Auxiliary and Townspeople that this has been possible.

Respectfully submitted,  
Alan G. Ridlon, Chief  
Stuart Blacklock, Pres.

## CLARENDON FIRE AUXILIARY ASSOCIATION

The Clarendon Fire Department Auxiliary had a successful 1980 with 21 paid members. The General Fund showed a balance of over \$4,000.00 in December, 1980.

One of the Auxiliary's major accomplishments for 1980 was turning over \$6,000.00 to the firemen in April toward the purchase of the pager alert system. Monies were earned by the Auxiliary through many projects throughout the year. Some of our 1980 money raisers were: a Tasting Supper in February; a ham dinner served to the Eastern Breeders Association and a Third Annual Basketball Game with Rutland Town Fire Department members in March; Refreshment Sale and Rummage Sale combined with the men's Annual Auction and another ham dinner for the DHIA in June; assisting the men with their Vermont State Fair project in September; serving a ham dinner for Agway in October; raffling a hand-made bandana quilt in November; the annual Booster Club in December; as well as weekly Bingo refreshments and summer flea market.

The Auxiliary members were very proud to win the Best Appearing and Most in Line of March trophies at the Annual State Fire Fighter's Convention held in Bennington last August. Three of Clarendon's members also helped co-edit the State Auxiliary's Year Book which was released at the Convention.

We wish to take this opportunity to express our gratitude to the many townspeople for the support and cooperation given during the last year. We also want to invite any interested parties to attend our meetings which are held on the second Monday of each month at the North Clarendon Fire Station.

Respectfully submitted,  
Joyce Pedone, Pres.

## FIRE WARDEN REPORT

As Fire Warden I wish to commend our Townspeople for the concern they have for our natural resources. We have been very fortunate not to have had any large Forest Fires in the past few years.

We do have our pickup truck stationed at the airport set up primarily for forest fire work. This truck is 4-wheel drive with 250 gallons of water, hose and a portable pump. We also carry pack pumps and necessary forest fire tools.

This year I am asking for \$250.00 of town money for the purpose of recapping the tires on our forest fire truck. The rest of the Fire Warden supplies appear to be in good condition and no further replacements will be needed in 1981.

I wish to express my thanks to everyone for the consideration you have given on the issue of fire permits and look forward to working with you again this year.

Respectfully submitted,  
Alan G. Ridlon  
Fire Warden

**ANNUAL REPORT**  
**1980**

To: Selectmen and Citizens of Clarendon

It is my pleasure as Executive Director of the Rutland Area Visiting Nurse Association to submit the 1980 Annual Report for your town.

Our health programs continue to provide many needed services to your community. Skilled Nursing, physical Therapy, Occupational Therapy, Speech Therapy, Homemaker-Home Health Aide, and Homemaker services are all available. The total patients and home visits made are as follows:

Unduplicated Patients	27
Skilled Nursing Visits	556
Evaluation Visits	4
Homemaker-Home Health Aide Visits	406
Physical Therapy Visits	47
Speech Therapy Visits	21
Occupational Therapy Visits	26
Homemaker Visits	4

We also have Prenatal Classes, Preventive Senior Citizen Clinics and Flu Clinics.

We continue to work closely with the Office on Aging, Hospital, Nursing Homes and all other health related organizations to give the best possible health care to your community.

An extension of our Homemaker-Home Health Aide program, to just giving Homemaker services, started in September and is progressing well. This is a new service and available to your area.

If you need help, call 775-0568 in Rutland or call the office nearest you, Brandon 247-3111 or Castleton 468-5668. If a member of your family needs health care at home, the Visiting Nurse is only a phone call away.

It has been a pleasure to serve you and we will look forward to another busy year.

Respectfully submitted,  
Evelyn P. Doyle,  
Executive Director

**VERMONT DEPARTMENT OF HEALTH**

**Annual Report to the Citizens of Clarendon**

The established mission of the State Health Department is to protect and promote the health of all Vermonters. In working towards this goal, the Vermont Department of Health has provided directly, or assured the provision of, preventative health services to communities across the state. During 1980, the following services were received by the residents of Clarendon:

268 elementary school children were examined by a dental hygienist and received personal oral hygiene instruction twice during the school year.

Your elementary school participated in the weekly fluoride rinse program.

1 person received services through the Maternal and Child Health Program.

17 comprehensive health assessments including preventive health guidance were provided at Well Child Conferences.

93 persons received nutrition education and food supplements through the Special Supplemental Food Program for Women, Infants, and Children (WIC).

12 children underwent medical evaluation and treatment through the Early Periodic Screening, Diagnosis, and Treatment Program (EPSDT).

Through the Handicapped Children Program, diagnosis and treatment services for orthopedic, hearing, cardiac, and other conditions were provided to 11 children.

Through the Child Development Clinic, 7 children received diagnostic and intensive follow-up services for suspected developmental disorders.

81 immunizations were given in Health Department clinics.

7 persons received screening for early detection of lung disease through the Barre, Rutland, or other Health Department chest clinics.

The following services were provided by the Health Department Laboratory in Burlington:

30 blood tests to identify women needing immunization against german measles (rubella) to prevent birth defects,

50 other diagnostic blood tests,

13 bacteriological and viral cultures,

97 tests of individual and municipal water systems to monitor drinking water quality.

Statewide, 259 emergency medical technicians were trained, 286 were recertified and 305 received advanced training; 195,507 doses of vaccine were supplied to

private physicians, school nurses, and other health providers; 17 hospitals and 46 nursing homes were inspected and licensed; 3,804 restaurants were inspected; 3,655 venereal disease office visits and/or treatments were paid for and 1,063 contacts were traced; material to test 14,270 persons for tuberculosis was distributed to private physicians, public clinics, and schools; 105 x-ray machines were inspected; treatment for 22,000 children was approved and paid for in total or in part by the Tooth Fairy and Dentaaid programs; and, in conjunction with Planned Parenthood of Vermont, Inc., 15,705 persons received contraceptive counselling and service.

Technical assistance was provided through the office of Local Health Services to your Town Health Officer, Edward B. Fuller

Your Town Clerk, Mrs. Mae Belle Byrne, received support and instruction in the handling of vital records from the Division of Public Health Statistics.

Your participation in these programs is encouraged. Information about all Health Department services may be obtained by calling our toll free number, 1-800-642-5045, or your local district office in Rutland. The local office telephone number is 773-2411.

## RUTLAND COUNTY SOLID WASTE DISTRICT

At the Town Meeting on March 4, 1980 it was voted, by a margin of 319 to 156 to join with other towns in Rutland County to form a union municipal district to be known as the "Rutland County Solid Waste District". The purpose of this government body is to eventually provide solid waste disposal services for the 19 towns in the county that are currently members of the district. It is proposed that the organization develop a regional landfill and a recycling facility. Eventually it is proposed that the organization will develop an incineration plant which will convert waste into energy.

The primary activity during 1980 was the hiring of a Manager and outside consultants to assist the district in meeting its goals.

The principal activities during 1981 will be the continuation of our efforts to developing a regional landfill and continuation of the studies on the practicality of turning the solid waste generated by the member towns into steam for direct sale or into electricity for possible sale to Central Vermont Public Service Corporation.

Clarendon's assessment, which supported the district's activities, in 1980 was based upon our population compared to the population of the 19 member towns. In the future it will be based upon our share of the estimated 82 tons per day of solid waste that are currently generated by the 19 member towns. Our share is currently 4.0% of the total.

Supervisor

Representing the Town  
of Clarendon

**The Classis Sign  
An Illustration of the Frustration and  
Disorder that Results from  
Lack of Foresight**

1980 again saw diversified growth in the Town of Clarendon. The Zoning Administrator's report indicates the numbers in various categories.

VELCO did establish a new substation on the Cold River Road and CVPS ran the new line from there to the expanded G.E. plant in Rutland Town. Pike installed their operation in the Carrara yard off Rt. 7 in Clarendon. The Commission spent some time with representatives from RIDC and their engineers discussing the potential industrial park at the airport. As of the end of 1980 RIDC was preparing to file their application for an Act 250 hearing. We plan for further discussion regarding this proposal.

The Commission met with farmers from the town to discuss agricultural and farm preservation in conjunction with discussions regarding the Town Plan. Work on the plan is progressing...Very slowly, but progressing!

## CLARENDON INDUSTRIAL AND COMMERCIAL DEVELOPMENT COMMITTEE

In March of 1980, the Committee asked for the support of the residents of the Town in our effort to broaden the tax base of Clarendon. You supported that effort by voting \$5,000 to cover anticipated expenses of our committee and by approving tax stabilization, where deemed appropriate, in order to attract industry to the Town of Clarendon.

During 1980, the activities of the Committee involved primarily the initiation of talks between the Town, the City of Rutland and the Rutland Industrial Development Corporation to pursue the idea of an industrial park at the site of the State Airport in Clarendon. Twice more in 1980, the townspeople showed their support at the polls for industrial development in the town.

Because of the several delays during the year in obtaining approval for the Selectmen to continue developing the idea of an industrial park, the Committee was unable to do most of the things it had planned for the year and, as a result spent less than 10% of the \$5,000 budgeted and returned the remainder back to the Town. We hope to be able to devote more time this coming year to the promotion of the Town as an ideal location for business and industry. Therefore, we have requested an amount of \$2,500 to cover our anticipated expenses for the year 1981.

The Committee continues to support the ongoing negotiations with the City of Rutland regarding the proposed industrial park. We continue to support this project for the same reasons we mentioned in last years report: Clarendon has the highest residential tax burden in Rutland County! Out of 245 towns in the State of Vermont, only seven have a tax burden equal to or higher than Clarendon! To compound the problem, it is anticipated that the cost of operating the town and its schools will not go down but rather, they will increase in order to meet the needs of our residents and our children.

The industrial park project is but the beginning of what we feel must be a long-term commitment to selective and controlled industrial growth in the town. We will continue to pursue those projects which we feel will reduce the Town's unreasonably high residential tax burden. The Committee continues to ask for your input and your support to help us accomplish this goal.

## RUTLAND REGIONAL COMMISSION REPORT FOR 1980

Our name has changed! While eliminating the word "planning" from our title may not seem dramatic, it is an indication of change. In some ways it is a reflection of changes which have already occurred; in others it is one more step to implement further adjustment which is necessary in light of today's conditions in the region and the nation.

We will continue to put more emphasis on municipal service and look for ways to better serve all towns in the region, large and small.

Two topics of particular interest and importance which we are presently involved in are:

Technical Services—With town budgets getting tighter, technical services in areas such as finance, capital improvement programming and energy conservation become more important. We are continuing to expand our ability to deliver these kinds of services. Our recently acquired computer capability will help us deliver these services on request.

Waste load allocation—This process, which affects sewage treatment capacity for several communities along the Otter Creek, is vitally important. Our Chairman, John Ballou from Chittenden, has particularly strong feelings on this issue. Until a revised waste-load allocation plan for the Otter Creek is completed and adopted by the State of Vermont, construction and/or upgrading of any affected sewage treatment plants will not take place.

In addition to the above, we have and will continue to work in the following areas:  
Solid waste disposal—We have been closely involved with the Rutland County Solid Waste District (RCSWD). We provide staff and overhead assistance to the District and are helping them to work toward short and long term solutions to solid waste disposal for RCSWD member towns.

Transportation—We continue to offer support services to "the bus". In addition, this year we are developing a proposal to build a transfer facility (bus station if you will) which will allow for changing between the bus, Vermont Transit and taxicabs as well as provide adequate parking. We have also worked closely with the Chamber of Commerce Transportation Task Force headed up by former Gov. Keyser which is aimed at improving countywide transportation systems.

Airport Industrial Park—Extensive work has been done on development of an airport industrial park in Clarendon. Because it is a project being jointly developed by the Rutland Industrial Development Corporation, Clarendon and the City of Rutland, coordination with local, state and federal organizations has been necessary and extensive. Construction is expected to start in mid-1981.

Coordination with and support to several county organizations through specific programs is part of our continuing responsibility. They include the County Extension Service, Soil Conservation Service, Rutland Industrial Development Corporation (County wide), Rutland County Health Council, Rutland Region Chamber of Commerce, and several other local organizations. These efforts will continue.

We look forward to serving and working with you in the coming year. Your interest and support is appreciated.

Respectfully submitted,  
John Vihinen,  
Executive Director

In 1980 there were 88 applications received, 3 of which were denied. Business wise we had 1 Airplane Hanger, 1 Asphalt Plant, 1 Flea Market, 1 Woodstorage Building, and 2 new Businesses that did not require a new building. There were permits issued for 14 new homes, 11 Mobile homes, 5 barns with 1 barn addition, 4 garages, 10 additions, 4 silos, 1 henhouse, 6 porches, 2 decks, 12 storage sheds, 3 mobile home roofs, 1 inground swimming pool, and 3 home businesses.

Respectfully submitted,  
Edna R. Ingalls  
Zoning Administrator

## RUTLAND REGIONAL COMMISSION

TO: Mr. Russ Carleton, Clarendon S.  
Mrs. Mae Belle Byrne, Clarendon PC  
FROM: RRC Staff-Karen Unsworth  
DATE: December 19, 1980  
SUBJECT: A-95 Review of federally assisted projects.

We have been notified as regional clearinghouse in A-95 process that Agency of Transportation intends to apply for \$270,000 of federal aid from Transportation Department to be matched with \$30,000 from other sources for Rutland State Airport—(1) Land acquisition or future landing aids, clear zone, etc. (2) Right-of-way clearing for 8 hazard beacons and replacement of 2 beacons.

The project is located in Clarendon, Shrewsbury, and Wallingford, and RRC involvement is indirect—Airport Plan and industrial park.

You are invited to comment on the relationship of this proposal to area-wide and local plans, objectives, programs, and facilities. If you wish to comment or to see more information on the project, please call us or return this form. We will be mailing any comments on January 10, so please return your comments (if any) before then.

☐ I would like additional information on this project.

☐ I have the following comments:

## UVM EXTENSION SERVICE—RUTLAND COUNTY

Rutland Town Office Bldg.  
Rte 4, Center Rutland  
P.O. Box 489, Rutland Vt. 05701  
773-3349

The UVM Extension Service is a combined effort of the University of Vermont and the US Department of Agriculture to bring educational programs to the people of Rutland County. The areas in which programs are conducted are agriculture and related areas such as home grounds, home economics, youth and resource development. A new educational program has been added—energy conservation. Energy outreach advisors are now available to conduct energy audits on homes in Rutland County providing information on energy conservation measures for homeowners.

### Funding:

Funds for the UVM Extension Service come from three sources. Federal, 42.3%; State, 49.2%, and from towns, 8.5%. Town funding is based on the town Grand List as compared to the County Grand List. State statutes are the basis for town contributions.

### Extension Service Advisory Board:

A board comprised of 15 people from Rutland County advises the Extension agents on programs to be carried out. Members are elected at the UVM Extension Service annual meeting held in April. The annual meeting notice is published in the Rutland Herald two weeks in advance and is open to the public. Current members of the board are:

Mrs. Harold Billings, Mrs. Howard Burgess, Byron R. Hathway, and Edward Hemenway of Rutland Town; Miss Deva Bolgioni, Mrs. Andrew Musella, Roy Rotella, and Hugh Spafford of Rutland City; Mrs. Antoine Greeno and Robert Baird of Pittsford; Lou Ann Hale, West Rutland; Clarence Haynes, Middletown Springs; Richard H. Pratt, North Clarendon; Wayne Burleson, Benson; and C. Gilbert Giddings, Brandon.

### Rutland County Extension Service Staff:

#### County Extension Agents:

Wm. M. Corey & David P. Newton-Agriculture; Marie Bingham & Donna Durkee-Nutrition Aides; Bridget A. Howrigan-Home Economics; Carole Berger & Debra Christiana-Energy Outreach Advisors; Chesley P. Horton-Youth; Valeria Nagy-Admin. Assistant; Wm. H. Bingham-Resource Development (Rutland & Benn.); Betty A. Durkin-4-H Expansion Assistant; Sylvia B. Chapin, A. Marie Firliet & Donna Marcille-Secretaries.

Extension Service programs are available to everyone regardless of race, color, national origin, sex, or religion. For more detailed information call or write UVM Extension Service or contact a member of the Advisory Board. As a resident of Rutland County, Extension Service information is available to you.

## MULTIPLE TAX PAYMENT PLAN

As reported verbally at a previous Selectmen's Meeting, the committee, to develop a Multiple Tax Payment Plan has conferred with six other towns of like size in Rutland County. The following plan has been developed:

For the present time we will stay with a calendar year for our fiscal year.  
We will vote on our budget as usual in March  
The Grand List will go to the Selectmen in May 25  
Selectmen will set a tax rate the first meeting in June  
Tax bills to be prepared and mailed by July 15  
Taxes will be due in three increments on Aug 15  
Oct 15  
Dec 15

There will be no penalty on installments if they are not made on due dates.

There will be a 4% discount if total tax is made by Aug. 15

School taxes to be paid as required by law.

Warrants to be turned over to Tax Collector after Dec. 15.

Tax bills to be printed in such a manner as to show taxes due with discount and installments on a coupon type bill

### Example

Total tax due	1000.00	1/3	1/3	1/3
4% discount	40.00			
	960.00	333.33	333.33	333.33

Bills are to be sent once a year with no reminder to tax payers. It will be their responsibility to remember dates as there is no penalty until final date. If receipt other than check is required we suggest that a self addressed, stamped envelope accompany payments.

The hope with this plan is that the town will experience a better cash flow which will decrease our need to borrow.

The committee also discussed at length the desirability of changing our fiscal year to a July-June year, rather than a calendar year. This has many advantages as it coincides with the school tax year, spending is done after the money comes in rather than before and makes budgeting easier.

This requires more input from the Selectmen and Treasurer as they would have to reorganize their entire fiscal arrangements for the first year.

Our hope is that, if the installments accomplish a better cash flow the Selectmen will consider a fiscal year for the future.

**III. SUPERINTENDENT'S REPORT**

**A. Enrollment:**

During the 1979-80 School Year the elementary school enrollment reached a high point of 269 students. We are now in a slight downward trend, with 248 students this year and a projection of 234 for next year. On the other hand, the secondary school enrollment is showing an increase as noted by the above table.

**B. Personnel:**

This year our teaching staff has one new member, Kathleen Jacob, who replaces Richard Wyman at the sixth grade. In November we hired a new Principal, Mrs. Veronica Solomka, to replace John Kaldy, who resigned to accept another position. Mrs. Solomka brings to Clarendon a wealth of knowledge and experience. We are indeed fortunate to have her as our new Principal.

**C. Curriculum:**

During the past five years we have received all major curriculum areas. We are presently acquiring materials and teaching aides to supplement our new science program. Also, through small grants from the State Education Department, to the supervisory union, we are exploring alternatives in Career Education and programs for Gifted and Talented students. Looking ahead to next year we have plans to review our reading program and strengthen this area.

**D. Budget Analysis:**

There is a complete outline of the proposed budget for the 1981-82 School Year included in the enclosed financial statements. This proposed budget has total expenditures of \$463,073.00, including the proposed \$5,000.00 for the building maintenance sinking fund. The major increases are as follows:

Instruction (Salaries)	\$25,600.00
Special Education (Tuition)	6,000.00
Library	2,000.00

Administration	5,000.00
Fiscal Services (Interest)	2,400.00
Buildings & Grounds (Electricity)	14,000.00
Transportation	5,000.00

The tax figure necessary to support this budget is \$48,429.00 (Including \$5,000.00 for the building maintenance sinking fund). Thus the increase in taxes is much less than the total increase in the budget. This is due to more state aid revenue in 1980-81 than anticipated and a larger carry over of unexpended funds.

#### IV. SCHOOL TAX SUMMARY

	Actual 1979-80	Actual 1980-81	Proposed 1981-82
Mill River Assessment	\$409,111.00	\$444,925.00	\$467,823.00
Elementary Taxes	35,053.00	43,829.00	48,429.00
Total Taxes	\$444,164.00	\$488,754.00	\$516,252.00

One important note about your assessment to Mill River. In 1981-82 it will decrease from \$1,926.00 to \$1,806.00 per student.

SPECIAL MEETING, MONDAY, SEPTEMBER 8, 1980, 7:30 P.M.

PRIMARY ELECTION, TUESDAY, SEPTEMBER 9, 1980, 10 A.M.-7 P.M.

PLACE OF MEETING AND ELECTION:

CLARENDON ELEMENTARY SCHOOL, NORTH CLARENDON, VERMONT

SHALL THE SELECTMEN OF THE TOWN OF CLARENDON BE AUTHORIZED, BUT NOT BE REQUIRED, TO ENTER INTO A CONTRACT WITH THE CITY OF RUTLAND (CITY) AND THE RUTLAND INDUSTRIAL DEVELOPMENT CORPORATION (RIDC) FOR THE DEVELOPMENT OF AN INDUSTRIAL PARK AT THE AIRPORT IN CLARENDON INCORPORATING FOLLOWING SPECIFIC TERMS, AND ANY INCIDENTAL TERMS NECESSARY TO CARRY THEM OUT:

1. LAND TRANSFERS—The City will (a) give to RIDC about 80 Acres of airport land for industrial development; and (b) give to Clarendon 20 acres of land at the airport adjacent to and westerly of Route 7B.

2. CONSTRUCTION AND DEVELOPMENT—Construction of the industrial park, roads, water/sewer systems and other improvements will be paid by \$900,000.00 of Federal grants, a Vermont Industrial Development Authority (VIDA) loan of about \$400,000.00 and Contributions of \$100,000.00 each from the City and RIDC.

Proceeds from Industrial Park lot sales will be allocated as follows: (a) to VIDA to pay all or part of its loan to RIDC; (b) to RIDC and the City to repay their contributions.

RIDC will develop the industrial park, and promote the sales of lots in the park.

3. DIVISION OF TOWN TAXES—Increased Town taxes assessed and actually received from taxation of park enterprises will be shared as follows:

(a) As long as RIDC's VIDA loan is outstanding, 20% to RIDC to pay the VIDA loan, 40% to the City and 40% to Clarendon;

(b) After full payment of RIDC's VIDA loan, 50% of the taxes to the City, for not more than 50 years after the signing of the industrial park contract, and 50% to Clarendon.

4. SPECIAL LEGISLATION—If necessary, the parties to the contract will seek State special legislation (a) to validate the contract or (b) to provide Clarendon with funds equal to reductions in education aid monies or other funds resulting from enlargements in the Clarendon Grand List attributable to increase property values in the industrial park, or both.

Dated at the Town of Clarendon, Vermont this 7th day of July, 1980.

## SPECIAL TOWN MEETING MINUTES September 8, 1980

### Clarendon Elementary School, 7:30 P.M.

In the absence of Moderator Stimson, selectman Carleton opened the meeting under VSA Title 17, sec. 712 which provides for the nominations for moderator.

Paul Shedd nominated Leonard Catellier, seconded by R. Neil.

Jeffery Taylor nominated Fredrick Harlow, seconded by R. Harrison.

R. Wilson nominated Alf Strom-Olsen, seconded by Carl Spangler.

Carl Spangler made the motion that nominations cease, seconded by M. Byrne, Motion was carried.

W. Weeks made the motion that nominations be voted on paper ballot. Not seconded.

Mr. Harlow requested that his name be withdrawn from nomination, Mr. Strom Olsen requested that his name be withdrawn from nomination, Moderator accepted this.

Reginald Wilson made motion that the chairman cast one vote for the remaining nominee, Leonard Catellier, motion was seconded by Paul Shedd, motion was voted by a show of hands and carried by acclamation.

The special meeting was then turned over to moderator L. Catellier.

Paul Shedd; that the moderator read the warning as it appeared in posting and advertising. Moderator so acted.

Moderator then advised voters present that this was the informational hearing as advertised. Town Clerk objected stating that this was a Special Town Meeting so warned and as such would have to be concluded in some manner before the information meeting could be heard, discussion followed, Town Clerk insisting that some form of action was to take place that would separate the two meetings.

George Holden made the motion that articles of special town meeting be tabled and to hold informational meeting. This motion was seconded. Mr. Weeks requested information and a point of order as to the validity of the request by the Town Clerk request to separate the meeting. Moderator was advised that Mr. Holden's motion was a proper motion and should be brought to a vote, discussion, moderator then asked for a vote by hand, result of hand vote, Yes=18, No=8 motion was carried to table Articles. As a result of this vote Moderator ordered Articles tabled and recessed special meeting in favor of the informational meeting, at this point clerk ceased to take minutes and Moderator turned meeting over to the selectmen.

Special town meeting was resumed at 9:45 P.M. with the selectmen turning the meeting back to the moderator by motion made by selectman Harlow and seconded by selectman Carleton, motion carried.

William Weeks made motion that moderator rule the previous motion out of order under section 2664 VSA 11 Chapter 55 subchapter 2, Weeks motion was seconded by R. Neil. Point of information requested by selectman Harlow and by Gary Cuttita ruling that would be made by moderator. Moderator stated that he could not make a ruling, selectman Harlow advised moderator that the voters would decide the issue at the polls, and that the appeal of motion was not acted on.

Motion was made and seconded to recess until tomorrow at 10 A.M. Motion carried.
